Call For Papers

2011 / 2012

20th Volume

Totem is a peer-reviewed, student-run journal of anthropology published annually in association with the Anthropology Society and the Department of Anthropology at The University of Western Ontario. We are excited to announce that 2010/2011 was the first year that Totem published online through Weldon Library Services and the Scholarship@Western program, making the journal accessible to a wider audience.

Totem's mandate is to publish exceptional works of creative and original research by undergraduate and graduate students in any of the four sub-fields of anthropology including socio-cultural anthropology, archaeology, physical anthropology, and linguistics. Totem is dedicated to providing a forum for undergraduates and graduate students in anthropology to present and discuss their work with their peers. Due to anthropology's interdisciplinary nature, we invite students from other disciplines and institutions to submit papers of value or interest to anthropology and anthropologists. Be a part of the 20th volume and submit your papers!
