## Junior Archaeological Field Technician

Location:	CA-ON-Mississauga	Job ID:	2012-6866
Area of Interest:	Archaeology	Job Type:	Contract
Experience Required (Min Yrs.):	0 - 1 year	Education (Minimum):	Bachelor's Degree

### JOB RESPONSIBILITIES:

Golder Associates is seeking a **Junior Archaeological Field Technician** for the **GTA – Mississauga** office / location.

Duties will include, but are not limited to the following:

- Provide technical services in a field and office environment;
- Carry out archaeological survey, test excavation, and mitigative excavation in a Cultural Resources Management setting;
- Provide occasional supervision of archaeological field work;
- Conduct archaeological assessment in a variety of work environments; outdoors in all weather conditions with occasional overnight stays during out-of-town projects (double occupancy);
- Participate in a team environment;
- Work with and provide support to other members of the field technician group in assisting with other field and office activities as required;
- Demonstrate a “Safety First” focus and act as a role model to other staff;
- Maintain a high standard of ethical behaviour to uphold Golder’s reputation and demonstrate a commitment to our Core Values; and,
- Perform other duties as required.

### JOB REQUIREMENTS:

The successful candidate will possess the following qualifications:

- Possess or is currently pursuing an Archaeology, Anthropology or related degree from a recognized program; or previous experience in archaeological fieldwork;
- The ability to observe good field methodology at a brisk pace;
- Knowledge of Ontario culture history is an asset;
- Access to transportation and valid driver's licence;
- Good written and verbal communication skills;
- Strong organizational skills;
- Occasional heavy lifting may be required; and
- Must be able to maintain the expected pace of excavation.
