

Celebrating The Working Centre

Join us on Thursday, September 17th, 2015 at 7:00PM for the official release of The Working Centre's book, *Transition to Common Work*, published by WLUPress, written by Joe and Stephanie Mancini, founders of The Working Centre.

The event will be hosted by Dr. Katherine Bergman, President of St. Jerome's University, and Dr. David Seljak.

SJU alumni, Joe and Stephanie Mancini, will share stories on the growth of The Working Centre's integrated community, focusing on how the virtues can reinvigorate cultural development.

We hope you will be able to join us for this unique event celebrating The Working Centre community.
