OCT 21 - 22, 2016

ART\HACK

CRIMEdia LAB NIGHT\SHIFT

a hackathon-type event for artists, makers, designers, activists, and other creative types interested in the intersection of public space and digital media.

Critical Media Lab
44 Gaukel St.
Ktichener ON

Critical Media Lab (CML) and **NIGHT\SHIFT** are pleased to announce a collaborative hackathon-type event for artists, makers, designers, activists, and other creative types interested in the intersection of public space and digital media.

Teams will be given 24 hours to prepare and present a prototype.

The winning team will automatically earn a spot on the 2016 Night\Shift lineup.
