Please RSVP using the link in the email to help us get a sense of numbers.

We hope to meet new people and build a foundation for other events and collaborations in the future. Our broader goal is to promote LGBTQ2S+ inclusion and visibility across campus, for both ourselves and for our undergraduate and graduate students.

This event is organized by the Gender and Sexual Diversity Working Group, and co-sponsored by the Equity Office, FAUW and the Equity Committee, UWSA, and LAAUW.
