

FALL TERM 2022

PACS 101

Peace is Everybody's Business

10:00–11:20 PM | MON & WED
with Prof. Mary Lou Klassen

This course explores ways in which individuals and groups from multiple sectors of society have contributed to peace by engaging conflict constructively and advancing social justice. Attention will be given to the diversity of peacemaking approaches, and to interpersonal and intergroup as well as international applications.
