

HUMILITY AS A VALUE IN ENGINEERING & DESIGN

CRITICAL TECH TALK WITH KARI ZACHARIAS

Join Kari Zacharias, Assistant Professor at the University of Manitoba, as she discusses how engineers can work towards responsibility, sustainability, and equity in design by practicing humility as respect of other ways of knowing, doing, being, and making.

Featuring respondents Jennifer Howcroft & Naomi Paul and a special introduction by Dean Mary Wells

When

Friday, March 22
4:00-5:30PM ET

Where

Arts Lecture Hall 116
University of Waterloo
