**"CANADA'S ARCTIC IS UNDER THREAT":
Clarifying Security Threats Through,
To, and In the Arctic**

P. Whitney Lackenbauer is one of Canada's foremost experts on Arctic history and contemporary Northern policy. His research explores the evolution of Canada's domestic strategies for the North and its international relationships with other Arctic and non-Arctic states. He is Canada Research Chair (Tier 1) in the Study of the Canadian North at Trent University and the Network Lead for North American and Arctic Defence and Security Network (NAADSN).
