Save the Date: Tuesday, February 25, 2025 7:00 PM

Guest Speaker: Dr. Neil Fleshner – University Health Network

Dr. Fleshner is a surgeon, specializing in urologic cancers and other conditions of the bladder, kidney, prostate, testes and related urological organs. He performs minimally invasive and robotic surgeries. He is also a medical researcher and Professor of Surgery at University of Toronto Medical School. Dr. Fleshner has developed targeted MRI prostate biopsies to better identify the location of cancer tumors within the prostate.

Dr. Fleshner will give a virtual presentation followed by a Q&A.

Please feel free to share this invitation with your contacts and ask them to email us at info@pccn-waterloo-wellington.ca if they are interested in joining this meeting.

This meeting will be hybrid in person at Rockway Community Centre or by Zoom.

An email will be sent with the Zoom link closer to the date.

Any specific questions for Dr. Fleshner can be either emailed to: info@pccn-waterloo-wellington.ca prior to the meeting or asked during the meeting.

Any other questions? Please contact John or Gary at the phone numbers above.

Looking forward to seeing you at this meeting. February 25, 2025 at 7:00PM.

Regards,
PCSG WW Steering Committee
